STP-Plus Certification Awarded to Our Subsidiary in Singapore

The Secure Trade Partnership (STP)-Plus certification is awarded to Union Services (S'pore) Pte Ltd, our wholly owned subsidiary in Singapore in September 2011. The STP-Plus is an authorised economic operator (AEO) programme administered by Singapore Customs.

The STP-Plus is voluntary and the highest certification of STP programme, which is opened to all supply chain stakeholders including importers, exporters and logistics operators with the purpose of reinforcing security in trading operations. The companies to which it is awarded can receive benefit on import and export customs procedure between Singapore and the countries like Japan which have mutual recognition with Singapore for AEO programme.

After the STP was awarded to Union Services (S'pore) Pte Ltd in June, 2010, they have strengthened even more security management and compliance system in order to upgrade to the STP-Plus. They will strive to provide more secure and higher-quality services through making good use of such benefit and maintaining and developing its security management level more than ever.
