The Sumitomo Warehouse Co., Ltd.

Adoption of key concept "Moving forward together into the future."

The Sumitomo Warehouse Co., Ltd. celebrated its 120th anniversary on July 1, 2019. Ever since the company's founding in 1899, we have continued to do business while expanding from the original scope of warehousing to include land, harbor, and international transportation, real estate, and marine transportation. We are grateful for the support of our customers, business partners, shareholders, and many others who have made this success possible.

On this occasion, we have adopted the key concept of "Moving forward together into the future." to express our pride in having weathered the changing times to keep supporting people's lives, our determination to continue doing so, and a path forward into the future.

Moving forward together into the future.

SUMITOMO WAREHOUSE

We will continue to contribute to the development of economy and society through our business with the stance reflected by this key concept.
